SHIA POST GRADUATE COLLEGE

Sitapur Road, Lucknow - 226020 (U.P.), INDIA [0522-2743777]

FROM THE PRINCIPAL'S DESK

Knowledge is widely held as something synonymous with power. As our nation makes significant leaps in its pursuit to become a global leader, we cannot lose sight of the fact that knowledge is precisely the key to realize our dream and conquer the world. Education, which is a primary avenue for acquisition of knowledge, can empower individuals by encouraging them to adopt critical thinking. This is needed for taking informed decisions when facing the challenges of life.

Although there have been paradigm shifts in our approach towards education and its epistemological interpretations yet its basic premise has been an invariant. Inevitability of this enterprise for translating thoughts and ideas into an intellectually coherent view of the world still remains the Holy Grail of education. Going a step further, education is also the key to self-realization which, according to Imam Ali (a.s) is a prerequisite for realization of God. The founders of Shia College deserve accolades for seeking inspiration from Imam Ali's wisdom in erecting this magnificent structure for educating the society. Since its inception in 1919, this citadel of learning has been a popular destination for seekers of knowledge who hail from diverse backgrounds and are nurtured in an ambience that is highly conducive for discovering their hidden talents.

This unity-in-diversity which is the hallmark of India's grand pluralistic culture reflects prominently in the heterogeneous mix of our students. The sprawling campus which houses a majestic Mursal-e-Azam Block along with several newly constructed blocks, a huge playground and a canteen, provides students a nostalgic experience. In keeping with the changes of a technology-centred world, the college management has carried out digitization of our offices, acquired WiFi facilities and installed modern equipment to promote ICT-enabled teaching in smart classrooms. However, despite possessing an impressive infrastructure, our true strength lies in providing quality education at affordable rates which often requires taking pro bono steps to ensure that underprivileged children are not deprived of education.

The college was accredited with A-grade in NAAC during 2022 which stands as a milestone in our academic journey ... for it recognized our endeavours to align ourselves with the needs of NEP-2020. It also gave credence to our efforts of bringing all round development of our taught through fostering cocurricular and extracurricular activities. I am extremely pleased to see that our students have not only excelled in various competitive exams but have also brought laurels in sports and various cultural activities. Our NCC cadets and NSS volunteers are always on their toes in serving the society. We reckon that the strategic use of knowledge can be the most reliable drivers of social change.

Over years, our efforts to elevate the standards of education have paid rich dividends. The college had introduced the courses of 5-year integrated LL.B, and M.A (Political Science, History and Education) in the last academic session. As we embark on the new academic session, we announce the launch of three more courses including LL.M, M.Sc (Physics), and B.Com (Hons) which are likely to expand our spectrum of popular courses and will be helpful to students in finding better placements.

At last, while taking immense pride in the accomplishments of our staff, students and illustrious alumni, I hope that our historic institution will keep scaling the ladder of excellence in imparting holistic education to students so as to attain greater heights and emerge as the brightest beacon on academic horizon.

Prof. S. S. R. Baqri

SHIA COLLEGE : BRIEF HISTORY

Shia College is one of the premier institutions spreading the light of learning and knowledge to a large number of students under the management and control of the Board of Trustees of Shia College & the School and the other connected Institutions. Following the traditions of Islam, as practised by its Prophet and his successor, the College has served all the communities without discrimination, maintaining high standards of secularism and patriotism from its very inception.

The oval shaped College Emblem carries as its motto the Hadith of the Prophet of Islam "I am the city of learning and Ali(A.S.) is its gate", a pen and a book with rays emanating from it signifying the spread of light and learning, a sword signifying a fearless struggle and war against tyranny, oppression, evil and darkness. The name of the College is at the bottom of the emblem.

The faculty members, as well as the Students and other employees have always been a true reflection of our composite culture. They have

contributed their best towards the development and progress of the College and the Nation.

It was keeping in view the best traditions of Prophet Mohammad^(S.A.W.S.) who said, "To seek knowledge and learning is obligatory for all Muslim men and women", his daughter Fatima^(S.A.) and his twelve successors^(A.S.), the first of whom Hazrat Ali^(A.S.) said, "Let no child remain uneducated while I hold the reigns of power", that the idea of starting a degree college at Lucknow was approved by the leaders of the Shia Community in the year 1915.

A delegation met the Lieutenant Governor of the then United Provinces of Agra and Avadh to seek permission for the establishment of the College. Shia College started as a school in 1919. The classes were temporarily arranged in the premises of Asifi Imambara (Bara Imambara and Roomi Darwaza). The college rose to the status of an Intermediate College in 1922.

In the same year (1922), the foundation of the college building was laid on the land provided by the "Karbala of King Nasiruddin Haider of Oudh" on Sitapur Road. With generous donations pouring in from the masses of Shia community a spacious building for the college came into being and the classes were shifted to it in 1923. Renowned Company Martin & Bern has constructed the Building which is named after Prophet Mohammed^(S.A.W.S.) as Mursal-e-Azam^(S.A.W.S.) Block.

When in 1947, the University of Lucknow decided to permit the teaching of Science outside the premises of Canning College, Shia College was one of the first three Colleges of Lucknow to be found suitable for the purpose. In the same year teaching of Bachelor of Science has started.

In 1967, the college constructed new faculty blocks. The permission to start classes of Bachelor of Arts, Bachelor of Law and Bachelor of Commerce from University of Lucknow was granted in 1960, 1970 and 1972 respectively. Computer Science as a subject at B.Sc. level was introduced in 1989.

M.A. Classes in Urdu and Sociology have been started from 1995 and 1996, respectively. M.Com. (Applied Economics) and professional management course Bachelor of Business Administration (International Business) i.e. B.B.A. (I.B.) classes were started from the academic session 2005-06.

M.Sc. (Zoology) and M.Com. (Pure Commerce) classes have been started from the session 2006-07, M.A. (Journalism & Mass Communication) is running successfully from the session 2007-08.

Large library building was built in 1972. A new block for class rooms was constructed with special grant from Dr. S. Akhtar Hasan Rizvi, Hony. Secretary. In addition to this, construction of a new building

named "Hazrat Ali^(A.S.) Block" completed in 2001-02. Another block on the name of Hazrat Abbas^(A.S.) Block was constructed in the year 2005-06.

The construction of Basket-Ball Court and a block namely Hasnain^(A.S.) Block was completed in the year 2006.

To provide quality education Shia P.G. College has advanced its infrastructure in remarkable way. Extension of **central library** and construction of double storeyed **stack room** and spacious **reading room** was done in the year 2016. Double storeyed building measuring about 19000 sq.ft. with one Seminar Hall & 12 Classrooms was constructed on the name of **Imam Jafar-e-Sadiq^(A.S.)** and **Imam Moosa-e-Kazim^(A.S.)**. The construction of two floor building having 16 classrooms, 2 offices, 1 staff room and 1 lab for Faculty of Arts on the name of **Hazrat Imam-e-Raza^(A.S.)** was completed in the year 2019. Multipurpose hall with all modern amenities was constructed in 2021 on the name of **Hazrat Abu Talib^(A.S.)**. Air Conditioned and spacious Moot Court to provide opportunity to law students for mock juridical proceedings was constructed in the year 2021, college management has named it as **Hazrat Imam Ali^(A.S.) Moot Court**. In the extension of facilities for the students, an state-of-the-art **Hazrat Imam Mohd Taqi^(A.S.) block** having capacity of 12 classrooms, administrative offices and staff rooms has been recently completed and was inaugurated by Hon'ble Justice Vikram Nath, Judge, Supreme Court of India. Besides, a separate **Janab-e-Khadijah^(S.A.)** executive board room has been constructed.

SHIA COLLEGE : AT A GLANCE

1. Innovation and creativity in teaching-learning : At Shia P.G. College, the focus is not just on the conventional teaching learning methodology, but more importantly fostering innovation and creativity in every aspect of academic delivery and learning. At Shia P.G. College, classroom experience keeps on getting continuously redefined with the inputs received from various stakeholders. The faculty follows a **student-centric** procedure by creating a learning environment which allows students to think, seek and answer. We strongly believe in promoting faculty creativity and innovation without being suppressed by rigidity of a system and at the same time ensuring that certain academic parameters and standards are observed and maintained without compromise. Such an approach is essential in making the College a best in class. At Shia P.G. College **blended, collaborative and experiential** techniques of teaching-learning applied along with technology resources to ensure effective curriculum delivery.

2. Academic Strategy : An extensive academic calendar and review mechanism ensures that the management of curriculum is done simultaneously on individual and institutional level. Time-table is well prepared before the commencement of each semester sticking to the University stipulation for each and every subject. Preplanning of the pedagogy by concerned faculty is used for every single session by means of Lecture Plan and course schedule. Although lectures are the common teaching method, this is supported by assignments, group discussion, role playing, brain storming sessions, field work, study tours, industry visit, organising presentations and projects. Self-Study mechanisms in the form of projects and presentations are encouraged. At Shia P.G. College, our focus is to catering student diversities so detail mechanism to identify Slow, Average and Advance Learner is practiced in effective manner and remedial classes, peer tutor, student seminar and symposium, personal counselling etc. are applied in essential part of delivery process.

3. Feedback System : College strictly followed the process of feedback systems to revise and redesign education quality from the stakeholders. From session 2020-21 we applied online feedback from all stakeholders.

4. Mentoring System : We at the college truly believe that if students have placed their trust in us for their personal and professional development, it is for us to take charge of their grooming and mentoring in every perceivable area of their development. The aim of this system is Identifying strengths and weaknesses in academics and devising ways and means to help-build competency on and off campus hours. Shia P.G. College has advanced its mentoring system by applying online process on mentoring portal. Mentoring system is the one of the best practices identified on the basis of performance and result.

5. e-content Portal : For effective teaching pedagogy and curriculum delivery, quality notes, e-contents and study material are playing vital role, keeping this in mind Shia P.G. College has created own e-content portal on which teachers are uploading e-content in form of **PDF/PPT/VIDEO** and also upload suggested reading materials.

6. Facilities : Shia P.G. College is well concerned to provide world class facilities to our students so that they will become equipped with modern technology and quality curriculum for better progression and placement.

Library: Central Library of the college is known as "**Khateeb-e-Akbar Maulana Mirza Mohd. Athar Library**" which is well-equipped and efficiently maintained library with **KOHA Library Automation System**. With the large number of manual books, e-library system through inflibnet and N-LIST has added new flavour for the students with the help of e-library they can avail the facility of thousands of e-books and e-journals. Library has its own website so that students can avail the remote facilities while they are away from the campus.

Smart Classrooms: The college has 10 smart classrooms equipped with all modern technological devices. Apart from this every department essentially have minimum 1 ICT enabled classroom, from which audio-visual experience can be provided in the class.
